

Railway Preservation Society of Ireland

No. 171 *Slieve Gullion* - Restoration Appeal

Donation Form- Please Post Today!

No.171 *Slieve Gullion* is not just another locomotive in need of restoration, but a locomotive which on its own represents main line steam preservation in Ireland.

With your help *Slieve Gullion* will once again head RPSI steam specials throughout the island of Ireland. Not only will the locomotive bring delight to the railway enthusiast and RPSI passengers but, with its ability to haul our most demanding trains and meet demanding schedules on the mainline it will bring vital income to keep main line steam alive in Ireland.

This can only be achieved with your help. No matter how big or small, ***your donation will make a difference.*** I ask you to consider the benefits of having *Slieve Gullion* once again in steam and to dig deep and make this happen.

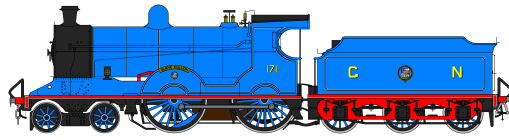

It would be a shame to celebrate 50 years of the RPSI in 2014 and not to have our most iconic and much loved locomotive in steam and part of our celebrations.

It is up to us all, we can make this happen....

Gerry Mooney
