# EXPERIENCE THE WONDERFUL WORLD OF STEAM TRAINS

**“ABSOLUTELY AMAZING, WELL WORTH VISITING, EXCELLENT TOUR GUIDE”**

**For a memorable day out, make tracks to the award-winning Whitehead Railway Museum. The Museum, which opened in 2017, combines the past with the present and offers you a unique visitor experience.**

Located at Whitehead on the Causeway Coastal Route, the Museum lets you rub shoulders with the giants of steam. You can hear how the railways revolutionised society, watch and hear restoration in progress and step on board several historic carriages and locomotives from the Railway Preservation Society of Ireland's extensive collection.

Visitors will find five fascinating galleries wrapped around the RPSI's existing railway workshops. Visit our signal box and pull the levers for yourself. View our video presentations and use interactive displays to learn more.

Find out how a steam locomotive works and discover how a major railway accident on a single-track line in County Armagh in 1889 resulted in a reform of railway safety regulations in many parts of the world.

In our children's play area young visitors can fire their imaginations by dressing up in Edwardian-style clothes and making believe they are about to board an express train.

## THE EDWARDIAN TEA ROOM

Think of the classic movie “Brief Encounter” as you sip on a cuppa or refuel with a morning coffee, homemade lunch or afternoon tea in the magnificent surroundings of our Edwardian Tea Room.
