### News

The Society is delighted to announce the return of the Irish Railway Heritage Weekend in 2022, following an absence of two years.

You may have noticed that our proposals have been modified to three days of train travel - Limerick (diesel) on the Friday, Kilkenny (steam) on the Saturday and Rosslare (steam) on the Sunday.

This is because we are still working on final clarification of cross-border travel arrangements. It should be remedied later this year.

### Fringe Activities

#### Friday 13<sup>th</sup> May

A diesel hauled railtour from Dublin to Limerick and return via the Nenagh branch. GM 071 class locomotive haulage requested.

#### Connections

For those electing to start and finish their journey from Belfast the Society can provide Enterprise travel contract tickets, or customers holding a Translink Senior Smart Pass can use that requesting a Dublin monthly return.

### Locomotives

It is planned that the railtour weekend will feature:

- Ex Great Northern Railway (Ireland) 4-4-0 No.85 "Merlin".

### Carriages
